

REMARKS

The foregoing amendments are in addition to the claim amendments set forth in the Amendment filed October 16, 2007.

Specification Amendments

The specification has been amended to correspond to the previously amended claims. Support for these amendments can be found in the context of the amended paragraphs. Therefore, no new matter has been added to the application.

Conclusion

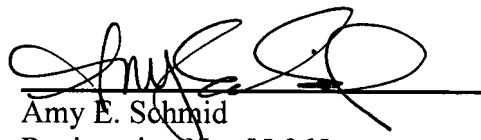

Therefore, in view of the amendments set forth herein, as well as the amendments and remarks set forth in the response of October 16, 2007, it is submitted that each of the grounds of rejection set forth by the Examiner has been overcome, and that the application is in condition for allowance. Such allowance is solicited.

If, after reviewing Applicants' response, the Examiner feels there are any issues remaining which must be resolved before the application can be passed to issue, the Examiner is respectfully requested to contact the undersigned by telephone in order to resolve such issues.

Respectfully submitted,

Satoshi OHTSUKA et al.
